Dear Manager

We are Shanghai NIC Internet Service Co.,Ltd, an oversea domain name registration organization. On Mar.24th 2008, we received the Aiffida Investment company's application that they want to register the "mobiledataNow" as their CN domain name and the Internet Brand. It's our duty to tell you this matter in order to avoid the unnecessary Intellectual Property dispute. We want to confirm whether you have authorized the company to register. If you haven't, please let me know whether you need to protect your domain name and the Internet Brand or not. According to the register principle, the original owner of the trademark has the priority to register. The priority time is 5-7 workdays, if your company give up the priority, we will accept the Aiffida company's register request and help the company register after the time is over. Have any question, please don't hesitate to contact us, we will do our best to help you.

Dear Director,

We are the department of registration service in Asia. Currently, we have a urgent issue needing to confirm with your company.

On Feb 27, 2013, we received an application formally. One company named "Wkyk Management Group" wanted to apply for the Brand Name "snipped" and some domain names through our body.

After our initial checking, we found the Brand name and domain names being applied are as same as your company! So we have to confirm with you at two points:

1. If the aforementioned company is your business partner or your subsidiary, please DO NOT reply us, we will approve the application automatically.
2. If your company have nothing to do with the aforementioned company, they maybe have other purposes to register the Brand name and domain names.

Currently, we have postponed this application of this company temporarily already. In order to deal with this issue better, please let the responsible officer contact us as soon as possible.

Dear Sir,

We are an organization of trademark intellectual property protection which authorized by government in Hong Kong.

On February.21.2013, a company named Mythology Group applied for registering some domains about the keyword " insynergyindia " with us. After checking, we found it conflicted with your name and trademark, so we would like to confirm with you.

Whether did you consign Mythology Group to register these Domains? Or are they your subbranch?

Could you confirm by return in time? So we can deal with this matter effectively. Thank you.
