Dear Director/Brand Holder,

We are the department of registration service in Asia. Currently, we have an urgent issue needing to confirm with your company.

On Feb 27, 2013, we received an application formally. One company named "XXXX Management Group" wanted to apply for the Brand Name "mydomain" and some domain names through our body.

After our initial checking, we found the Brand name and domain names being applied are as same as your company! So we have to confirm with you at two points:

1. If the aforementioned company is your business partner or your subsidiary, please DO NOT reply us, we will approve the application automatically.
2. If your company has nothing to do with the aforementioned company, they maybe have other purposes to register the Brand name and domain names.

Currently, we have postponed this application of this company temporarily already. In order to deal with this issue better, please let the responsible officer contact us as soon as possible.

Best Regards,
