PRESS RELEASE

EDWARD LEHMAN APPEARS ON TELEVISION SHOW RELATED TO CHINA'S DRAFT PROPERTY LAW

Beijing, China – September 19, 2006 – Mr. Edward Lehman, managing director of LEHMAN, LEE & XU, appeared on CCTV 9's *Dialogue*, in an episode which discusses the new Draft Property Law, and its potential impact on China.

Of primary importance and cause for much debate is the provision for both public and private property, causing some to argue that this new draft goes too far in shifting China's national economy into an uncomfortable area which conflicts with the nation's core political ideologies. During the interview, Mr. Lehman was, as a whole, encouraging of the draft law, commenting that it provides a stronger basis for the protection of individual property.

The show was first aired on September 19, and the full *dialogue* is available online at the following URL:

Dialogue has become an important show for both foreigners and Chinese, with host Yang Rui and guests discussing current issues impacting China. As a result of his nearly twenty years in China, Edward Lehman was a natural candidate for the show, which will air sometime later this month.
